Date of transfer: 15-03-2025

Transferred to: Vishal karad

Project Name: Meena Group

Elements covered under transfer:

Scope of Copyright Transfer:

By signing this [Copyright Transfer Form](#), we will be relinquishing all personal, professional, and ownership rights of all designs detailed above.

This signed agreement also includes the [Transfer of Ownership](#) to any variations of the logo previously agreed upon and supplied as part of the initial contract.

Examples of these included variations could include multiple color versions, size and dimensional variations, landscape favicon, etc.

Unless otherwise agreed and arranged, we reserve the right to use the logo in our portfolio and in any number of online galleries & portfolios, as well as in printed literature including, but not limited to, books, catalogues, brochures, and magazines.

Trademark TM and Registered Trademark [®]:

It is important to note that Copyright is not the same as a Trademark or Registered Trademark. This form does not provide any Trademark ownership or protection.

Restrictions and Caveats:

The [Copyright Transfer Form](#) does not give you permission to use, modify, alter, replicate, or borrow any of the previous and unused logo ideas, concepts, or sketches previously shown and presented during the course of the project.

All original preparation materials, sketches, visuals, and unused ideas previously shown and considered will remain the property of We Digital Hub.

We are free to use these unused ideas for future conceptual and client work. Where a previously unused idea/design retains a similar look and style to the finished logo, we shall repurpose and style as to sufficiently different so as not to cause conflict.

You are free to change, modify and adapt the finished Logo Design as you see fit, but you do so at your own risk, and at the risk of diluting, or causing confusion, over your existing Brand Identity.

If you are seeking brand protection, then applying for a Trademark is the way to go. Unfortunately, we will be unable to help with this process due to the complex nature of hiring a lawyer and correctly applying & registering for a Trademark.
